Intro

The module structure

Each section is composed by four parts:

Focus

The first part let you to focus on the issue by an analysis of the section key words and by an expositive short text.

Delve into

The second part represents a delving into the issue that collects suggestions, ideas, articles to explore, deep and debate on.

Surf

The third part is a collection of videos, testimonials, written documents, cartoons, etc. to explore the focused issue surfing the Internet.

Test

The fourth part is a testing section through which you can test yourself and reflect on what you learnt.

Created by Giovanni Tagliente from Noun Project

You can make most of the exercises by yourself: the icon will guide you.

You must make some of the exercises in group: the icon will guide you.

At the end of the module you will find a selection of famous and less famous quotes on the module's topics. A defiance to go further.

Note: in this documents there are many pictograms. They are from The Noun project website: a website that aggregates and catalogs symbols that are created and uploaded by graphic designers around the world. The founders envisioned the site as being primarily useful for designers and architects, but the range of users includes people with different kinds of disabilities, who sometimes favor a visual language.
